JOB DESCRIPTION:

The Risk Manager is responsible for the risk management activities at both the facility and practice locations, which includes administering the risk management program on a day-to-day basis, managing and analyzing risk management data, investigating and reporting potentially compensable events, conducting risk management educational programs, providing risk related advice and recommendations, and complying with risk management related standards, all with the objective of controlling and minimizing loss to protect the assets of the LVHN. This individual is responsible for reviewing and formulating policy or operational changes and making recommendations to the Administrator, Risk Management.

QUALIFICATIONS:

Bachelor's Degree with a major in Nursing or related field and subsequent licensure in the Commonwealth of Pennsylvania.

ABOUT LEHIGH VALLEY HEALTH NETWORK:

Be part of an exceptional health care experience. Join the inspired, passionate team at Lehigh Valley Health Network, a nationally recognized, forward-thinking organization offering plenty of opportunity to do great work. LVHN has been ranked among the "Best Hospitals" by U.S. News & World Report for 22 consecutive years. We're a Magnet(tm) Hospital, having been honored four times with the American Nurses Credentialing Center's prestigious distinction for nursing excellence and quality patient outcomes. Lehigh Valley Hospital - Cedar Crest, Lehigh Valley Hospital - Muhlenberg and Lehigh Valley Hospital - Pocono each received an 'A' grade on the Hospital Safety Grade from The Leapfrog Group for spring 2018, the highest grade in patient safety. These recognitions highlight LVHN's commitment to teamwork, compassion, and technology with an unrelenting focus on delivering the best health care possible every day. Whether you're considering your next career move or your first, you should consider Lehigh Valley Health Network.
